

# Visual Phonics - See the Sound

Visual Phonics is a system of 52 unique hand cues and symbols that represent the sounds of English. Visual Phonics can help support the development of reading, literacy and communication skills for all learners, but particularly for those who are deaf or hard of hearing.

## Visual Phonics

February 3rd and 10th, 2024

8am - 12pm (via Zoom) .8 RID CEUs pending

Deaf Education Professionals are encouraged to join this two part series on Visual Phonics with Melissa Carrie, TDHH - CESA 4 as our ICLI Trainer. Participants must attend both training dates.
